Cancellation, Lateness and No-Show policy

Cancellation policy

Session time is valuable – yours and ours. In the event of a cancellation, please honour our three business hour cancellation notice policy. Failure to do so will result in full fees due for the schedule session time (which are not billable to your insurance.)

Late policy

Please call if possible. Sessions start and end at the agreed time and you are urged to be at Cor Maximus on time to receive the full time of treatment. Arriving late will reduce your time in the session. However, we do understand that situations arise where you may be late. We will do our best to accommodate you.

No-Show Policy

If you fail to show for a schedule appointment, it will result in fees due for the full scheduled session time (which are not billable to your insurance.)

Please sign that have you read and agree to our policy.

Thank you for your cooperation,

The Cor Maximus Team
